This 8 year old girl is from the Haitian town of Camperin. Unable to afford the cost of an education, she helps to support her family by hand washing clothing. Without the proper schooling, she has little to no hope for the future. TOCB was able to provide a grant to her town to help with those cost of educational costs.

Commerical Grade Water Purification System. Will provide clean water to Haiti's Au-Cayes population. Will benefit an estimated 44,000 people.
